STELLOR **BY MAISON HAMACHE**

PROJECT BRIEF / TEXTILE FLOORING

Prepare a carpet or rug quote

Record the details you already have. Confirm final dimensions, construction and the agreed scope before placing an order.

☐ **Installation only** ☐ **Production only** ☐ **Production and fitting** ☐ **Refurbishment**

01 Site and use

Location, property type, areas involved, footfall and access by the public.

02 Area and geometry

Approximate area, stairs, landings, transitions and drawings available.

03 Material, pattern and performance

Selected product, sample, palette, pattern and performance requirements.

04 Subfloor and phasing

Existing floor, access, other trades and areas that need to stay open.

05 Programme and scope

Target date and whether to include delivery, removal, finishes or installation.
